Explanatory Notes to the Resolutions

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 8 and 10 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 9 and 11 are proposed as special resolutions. This means that for these resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Report and Accounts

The directors must present the report of the directors and the accounts of the Company for the year ended 31 March 2016 to shareholders at the Annual General Meeting. The report of the directors, the accounts, and the report of the Company's auditors on the accounts are contained within the annual report and accounts.

Resolution 2 – Approval of Final Dividend

Shareholders are being asked to approve a final dividend of 7.7 pence per Ordinary Share in respect of the year ended 31 March 2016. If you approve the recommended final dividend, this will be paid on 15 July 2016 to all Shareholders who were on the register of members on 17 June 2016.

Resolution 3 – Approval of the Directors' remuneration report

Although, as an AIM company, the Company is not required to seek shareholder approval of the director's remuneration report or the directors remuneration policy, the Company has decided to seek the approval of shareholders in the interest of good governance.

As such, the Company has decided to put to Shareholders the directors' remuneration report in respect of the year ended 31 March 2016, which is set out on pages 46 and 47 of the Company's annual report for the year ended 31 March 2016. Whilst the payment of remuneration to the directors is not dependent on the passing of the resolution, your Board will take the vote into account when considering the future development and operation of the Company's remuneration policy and practice.

The Company is also required by the Act to seek Shareholders' approval of the directors' remuneration policy as set out in the directors' remuneration report at least every three years, or in the event of a change in the policy if sooner. The directors' remuneration policy has remained unchanged since it was approved by Shareholders at the annual general meeting held in July 2015 and, unless there is a change in the policy, it is the current intention of the directors that a resolution for the approval of the directors' remuneration policy will next be considered at the annual general meeting to be held in July 2018.

Resolutions 4, 5 and 6 – Directors

Under the Company's Articles of Association one third of the directors must retire by rotation each year. As such, James Furlong, John Fitzgerald and David Holland retire from the Board by rotation in accordance with the Company's Articles of Association. James Furlong and John Fitzgerald seek re-election. David Holland has decided to retire from the Board and does not seek re-election.

Mrs Jane Earl, who was appointed to the board since the last annual general meeting, also retires from the Board in accordance with the Articles and seeks re-election. These re-appointments shall take effect at the conclusion of the Annual General Meeting.

Resolution 7 – Auditors

The resolution proposes the re-appointment of the Company's existing auditors, PricewaterhouseCoopers LLP, until the conclusion of the next general meeting of the Company at which accounts are laid, and gives authority to the audit committee to determine the auditors' remuneration.

Resolution 8 – Directors' specific authority to allot shares

Shareholders are being asked to grant the directors a specific authority to allot shares in the Company. This resolution, if passed, authorises the directors to specifically allot the Company's shares up to a maximum nominal amount of £97,210 in connection with the grant of options under the Telford Homes Plc Employee Share Option Scheme. This authority will expire at the next Annual General Meeting.

Resolution 9 – Specific disapplication of statutory rights of pre-emption

This resolution supplements the directors' specific authority to allot shares in the Company given to them by resolution 9. The resolution authorises the directors to allot equity ordinary shares for cash (otherwise than pro rata to existing shareholders). The directors are limited to the allotment of up to 972,100 ordinary shares in connection with the grant of options committed to be made by the Company as at 31 March 2016 under the Telford Homes Plc Employee Share Option Scheme.

Resolution 10 – General directors' authority to allot shares

Shareholders are being asked to grant the directors the authority to allot shares in the Company. This resolution will, if passed, authorise the directors to allot the Company's shares up to a maximum nominal amount of £2,495,000 representing approximately one-third of the issued ordinary share capital of the Company. This authority will expire at the conclusion of the Annual General Meeting of the Company next year or, if earlier, 15 months from the date of the resolution. In addition, the resolution will, if passed, authorise the directors to allot further shares of the Company up to a maximum nominal amount of £2,495,000 representing approximately a further one-third of the issued ordinary share capital of the Company in connection with a fully pre-emptive rights issue. This authority will expire at the conclusion of the Annual General Meeting of the Company next year or, if earlier, 14 October 2017.

Resolution 11 – General disapplication of statutory rights of pre-emption

This resolution supplements the directors' authority to allot shares in the Company given to them by resolution 10. The resolution, if passed, authorises the directors to issue ordinary shares for cash, either by way of a rights issue or offer to existing shareholders or to other persons on a non-pre-emptive basis, provided that any issue for cash to such persons on a non-pre-emptive basis shall not exceed £374,250 representing 3,742,500 new ordinary shares of 10p each (being 5 per cent of the issued ordinary share capital of the Company). The authority will be effective until the conclusion of the next Annual General Meeting of the Company or, if earlier, 14 October 2017.

Recommendation

The directors believe that the passing of all the resolutions to be proposed at the Annual General Meeting will be in the best interests of the Company and its shareholders as a whole and are unanimous in recommending that shareholders vote in favour of them, as those directors who are also shareholders intend to do in respect of their own beneficial holdings of shares.

Changes to entries on the register after 6.00 p.m. on 12 July 2016 (or after 6.00 p.m. on the day which is two days before any adjourned meeting) shall be disregarded in determining the rights of any person to attend or vote at the meeting.

Therefore, any member holding 3% or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the DTRs, need not make a separate notification to the Company and to the Financial Conduct Authority. However, any member holding 3% or more of the voting rights in the Company who appoints a person other than the Chairman as proxy will need to ensure that both the member and the proxy comply with the respective disclosure obligations under the DTRs.
