

We are pleased to announce that Telford Homes has been shortlisted for both the 'Built Environment' and 'Commitment to Local Community' categories at the [Better Society Awards 2022](#).

The Better Society Awards are designed to celebrate commercial companies who are helping create a better, more equal, ethical and sustainable world for all. Being shortlisted is a fantastic recognition of the hard work and dedication shown by our whole team to deliver sustainability in the built environment.

Telford Homes keeps economic, social and environmental principles central to our business strategy which is outlined within our net zero 2030 roadmap. We have been ranked as the UK's most sustainable housebuilder for the second consecutive year in the 'Next Generation' housing benchmarking report, we've continued to bring to life our 'Building a Living Legacy' strategy - championing innovative sustainable building practices and resources.

The shortlisting for the Commitment to Local Community Award recognises our commitment to investing in people and places. Stone Studios in Hackney Wick has created an inclusive environment, with the local community at its heart. Telford Homes has provided new sponsorship opportunities and has helped long-standing businesses to grow and hosted a plethora of events at the development - retaining a strong relationship with both residents and potential buyers, as well as the existing local community.

Winners will be announced on 11th May 2022 at the Awards Gala Dinner, taking place at the London Marriott Hotel Grosvenor Square.
